BRUCE T. SMITH  
SUPERVISOR  
DATA MANAGEMENT UNIT

JUNE 14, 1991

Dear Mr. Smith:

We received your letter dated June 7, 1991, stating that we have an underground storage tank on our premises containing #6 boiler fuel. However in 1989 we had the underground tank removed, - Job # 9404 & Job #9901 and replaced with an above ground tank.

The new above ground tank is empty and we do not anticipate filling the tank since the plant's boiler has been converted to gas.

If you have any questions you may contact me at (509)865-4105 Ext 222.

Sincerely

Maryann Bullard
